# PROJECT LOGISTICS

In the world of fast moving events putting together logistics solutions for complete projects is one of the biggest challenges to face logistics companies. As hardly any project is same or similar it requires a great deal of flexibility, technical know-how, personal engagement around the clock and tenacity dealing with the vast number of entities involved in large-scale projects.

We are specialized to provide highly professional project logistics services for the mobilization and shipping of project cargos by meeting the requisite HSC standard of service and competitive pricing. We adhere to the highest possible transportation and lifting standards while moving or lifting heavy, oversized or otherwise sensitive and valuable cargo.

Our specialized Project Services are

- Projects Logistics & Heavy Lifts
- Break bulk and Ro Ro shipments
- Barge and Tug Shipments
- Heavy haul land transport
- Route survey
- Cargo Insurance
